BIBLE STUDIES

What the Bible teaches about – GOD'S HOLY LAW –

THE IMPORTANCE OF THE HOLY LAW

1. Who wrote the Law and how was it written? (Exodus 31:18)

2. What does the Law reveal? (1 John 3:4)

3. Who does the law lead us to? (Galatians 3:24)

4. The ten commandments (Exodus 20:3-17)

THE ETERNAL EXISTENCE OF THE HOLY LAW

5. What was Jesus' attitude towards the law? (John 15:10)

6. Did Jesus make changes to the Law? (Matthew 5:17, 18)

7. Can anyone change the ten commandments? (Ecclesiastes 3:14)

WHAT SHOULD I DO?

- | | | |
|---------------------------------|-----------------|--------------------------|
| 1. Love God's law | (Psalms 119:97) | <input type="checkbox"/> |
| 2. Keep the commandments | (John 14:15) | <input type="checkbox"/> |
| 3. Respect all the commandments | (James 2:10) | <input type="checkbox"/> |

MY RESOLUTION

- I accept the Holy Law of God. I will try, with God's help, to respect all the commandments.
